MEET OUR FACULTY!

INTRODUCING CASSIDY DAVIS

Cassidy Davis was born and raised in Gilbert, AZ. Her mother enrolled her in dance classes at the young age of 3 and has been dancing ever since. She danced for Dance Connection Too's performance team, The Dynamite Express, for 8 years starting at the age of 4. Cassidy traveled with Dynamite Express around the country performing at Phoenix Suns halftime shows, NFL halftime shows, Disneyland, and many parade extravaganzas. She joined Dance Connection Too's company, competing, performing, and winning with her fellow company members at prestigious dance competitions like NYCDA, JUMP, Show Stoppers, WCDE, and more for 7 years. She continued her dance training and joined her high school dance company where she became vice president of her team and got the opportunity to choreograph numerous routines. Cassidy has had hours of intensive dance training in Tap, Jazz, Ballet, Point, Musical Theater, Lyrical, Contemporary, and Hip hop. She loves teaching and inspiring students who share her same passion, and that is DANCE! Besides dance, she loves spending time with her husband, Stephen, her dog, and their daughter!

DANCE UNLIMITED CHRISTMAS SHOW INFORMATION

Dance Unlimited and its staff believe in giving back to our community. During the holidays we do this in several ways.

The Second way we give back to the community is by adopting families to provide them a Christmas!

There is a one time rehearsal fee of \$15 for the first dancer and \$10 for each additional dancer in a family. We use this money to buy groceries for the families we adopt.

We will have a Christmas tree at the front counter about mid November. On the tree are tags with the families wishes. Our Dane Unlimited families take tags off the tree and bring then wrapped gift back to DU and then as we get closer to the holidays we set up a delivery time that everyone is welcome to participate in.

BE LOOKING FOR OUR CHRISTMAS TREE TO GIVE A GIFT TO THOSE IN NEED!

Over the past 24 years Dance Unlimited has provided for 75 families and given over \$120,000 dollars away in gifts and groceries.

The most important goal of the Dance Unlimited Family is to create a caring atmosphere where knowledge can be shared and friendships and memories made while developing talent and adding to self-esteem and good character.

Not all Dance Unlimited students will grow up to be professionals in the field of performing arts. But the skills and principles they learn, the teamwork, discipline, creativity, expressive qualities, enthusiasm and most of all honesty and commitment are important lessons carried into everything they will do.

Zorene's Corner

Thank you to everyone that helps to make Dance Unlimited more than a dance studio. Because of you we are a heartbeat of our community. Just this month we will have provided Christmas for three needy families, reached out to the homeless with 130 special care packages, entertained and visited the elderly and partnering with Pikes Peak Company, gifted money to the Alpine Autism Association with a spectacular performance for Colorado Springs. I am so blessed with all of you and our fantastic staff. Special Christmas wishes to the people that work to open doors for our children, Daria Rose, Jenny Field, Robin Moore and 2016 senior Delaynie Reed Field.

Merry Christmas, Happy Holy Days, as we look forward to a very special New Year!
