Invite your friends to join our family!

At Dance Unlimited we value your business. We know that over the years many of our new dance families come to us by word of mouth from you, our loyal customers. To show our appreciation this dance season we will take \$10 off of your bill for every month your friend, our new customer, pays their dance tuition. Simply have your friend present this card at the time of their enrollment.

Special thanks!

We would like to take a moment to say a special thanks to our Dance Unlimited families that make it happen every day!

These moms and dads make props, paint props, decorate props, haul props, move props, they bling costumes, and basically are at the whim of our incredible staff!

These folks spent hours getting your studio ready this summer to be fun, new and exciting for all our dancers. They have painted,

hung letters, butterflies and pictures and moved furniture more than once. They decorated Dance Unlimited with your dancers in mind! Please take a moment to tell them Thanks!!

To dance is to be out of yourself. Larger, more beautiful, more powerful. This is power and it is glory on earth and yours for the taking. ~Agnes de Mille

Christmas Show Information

Although we do not start until November we want you to have the information now!

Dance Unlimited and its staff believe in giving back to our community. During the holidays we do this in several ways.

First is our Christmas Shows-this becomes a high light for our dancers a special time to make a difference.

Our shows are done in nursing homes throughout the community. The dancers love spreading holiday cheer with the residents.

Rehearsals will be November 7th, 14th, 21st & December 5th at Dance Unlimited from 12:00-1:15pm-you do not have to be at all rehearsals to participate.

We use the same costume year after year. If you have a costume you would like to sell, please bring to the studio labeled with size, your name and the price you are asking.

Costume cost for combo dancers is approximately 32.00 and for everyone else it is approximately 68.00 if you do not have tights or black booty shorts.

The Second way we give back to the community is by adopting families to provide them a Christmas!

There is a one time rehearsal fee of \$15 for the first dancer and \$10 for each additional dancer in a family. We use this money to buy groceries for the families we adopt.

We will have a Christmas tree at the front counter about mid November. On the tree are tags with the families wishes. Our Dane Unlimited families take tags off the tree and bring then wrapped gift back to DU and then as we get closer to the holidays we set up a delivery time that everyone is welcome to participate in.

Over the past 24 years Dance Unlimited has provided for 75 families and given over \$120,000 dollars away in gifts and groceries.

Recital 2016—Our 25th Anniversary!

Recital 2016 will be June 3rd and 4th at Mitchell High School

We will begin charging our recital fee of \$55 in September! If you are choosing to not do recital you will need to fill out a form and return to Jenny before November 30th. After November 30th our recital fee is non-refundable.

We will once again be billing a costume deposit of \$35 / costume in October. If your dancer is not participating in a specific class for recital Jenny must have it in writing by November 30th. The remainder of the costume fees will be due January 15th. All costume deposits are non-refundable after November 30th.

Be looking in November for an email asking you to sign off on your dancers costume sizes.

The 2016 recital week schedule can be found on the website at www.danceu.com under the recital tab!

This year tickets will be available for purchase online. You will receive an email when that opens.

This story can fit 75-125 words.

Selecting pictures or graphics is an important part of adding content to your newsletter.

Think about your article and ask yourself if the picture supports or enhances the message you're trying to convey. Avoid selecting images that appear to be out of context.

Microsoft Publisher includes thousands of clip art images from which you can choose and import into your newsletter. There are also several tools you can use to draw shapes and symbols.

Once you have chosen an image, place it close to the article. Be sure to place the caption of the image near the image.

Note from Zorene:

We are very excited that our classes are filling quickly! As a reminder please do not stop the teacher in between classes, they will not be able to take the time you deserve when discussing your dancer. You may reach your dancer's teacher at their email their name@danceu.com.

Please do not open the door to a classroom to speak with your child. Our teachers are very skilled at what they do. If they feel like your dancer is doing something they should not be doing, they will deal with it accordingly. When you open the door you disrupt the entire class .
